Town Hall Discussion:
Next Steps for the Next Generation Science Standards in Earth and Space Science

Please complete this quick feedback request:
https://goo.gl/nYEMTR

sponsored by: NAGT, AGI, GSA Education Division, GSA Education Committee

agenda for this Town Hall meeting:

- ➢ did you fill out the short survey?
  - ○ https://goo.gl/nYEMTR
- ➢ events around the 2015 Summit on the Implementation of the NGSS at the State Level
- ➢ upcoming events
- ➢ panel: What does NGSS implementation mean in your role in the NGSS world?
- ➢ affinity group discussions
- ➢ share out & wrap-up

panel discussion:

What does NGSS-ESS implementation mean in your role in the NGSS world?

➢ moderator: Eric Riggs, Texas A&M University

➢ panelists:

   ○ Nicole LaDue, Northern IL University

   ○ Cheryl Manning, Evergreen H.S. CO

   ○ Wendi Williams, NorthWest Arkansas CC

   ○ Anne Egger, Central Washington University

   ○ Eric Pyle, James Madison University

Please complete this quick feedback request:

Thank you for joining us today!

We are working on a webpage that supports communication around efforts focused on NGSS-ESS implementation

Please consider leading an event or webinar. Let us know how we can support & participate in your efforts!
